

City Of stars - La La Land

Composed by: Justin Hurwitz

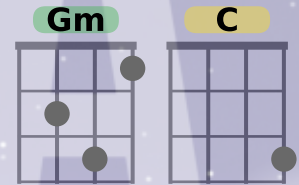

[Verse]

City of stars, are you shining just for me?

City of stars, there's so much that I can't see

Who knows, I felt it from the first embrace I shared with you

That now our dreams, they've finally come true

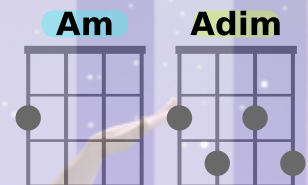

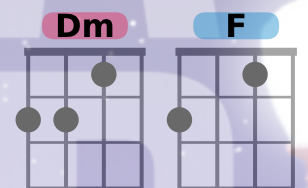

[Verse]

City of stars, just one thing everybody wants

There in the bars and through the smokescreen of the
crowded restaurants

It's love, yes all we're looking for is love from someone else

A rush, a glance, a touch, a dance

[Chorus]

A look in somebody's eyes to light up the skies

To open the world and send it reeling

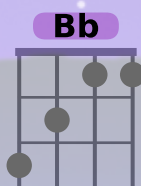

A voice that says I'll be here and you'll be alright

I don't care if I know just where I will go

'Cause all that I need's this crazy feeling

A rat-tat-tat on my heart

Think I want it to stay

[Outro]

City of stars, are you shining just for me?

City of stars, you never shined so brightly
